

KIT FOR MACHINERY, TRUCKS AND TANKERS

COD: 2532210020562

DESCRIPTION

Specially designed to be used as first response to an eventuality caused by leaks or spills of hydrocarbons or other polluting fluids. It facilitates the containment in order to execute a proper control in different situations. This kit has been designed with different formats to control provide a response for hazardous chemical spills. The kit for machinery has a capacity of absorption up to 98 liters.

TECHNICAL FEATURES

- Physical appearance: PVC bags with UV protection.
- Fiber.
- Specific weight of the fiber: 0.20
- Flash-point: 280-290 °c flammability (wet) non-flammable
- Chemical resistance: oils, grease, hydrocarbons, solvents, Cl₂Ca, salt.
- Humidity: 3%
- Ash content: 4%
- Specific gravity: 0,8/0,9
- Inert matters: 0,5%
- PH: 7 (neutral)
- Dimensions: 60cm x 50cm
- Weight 15KG
- Absorbtion capacity: up to 98 liters
- Items per box: 1

WARRANTY

All the physical properties and recommendations of the product are based on testings which are considered to be representative or it complies with current regulations .

Vicsa informs that it doesn't offer warranty for the use of this product in a time period. the final user is directly responsible for the applicatio and use of the product. VICSA is not responsible for direct or indirect damages generated as consequences of improper use or incorrect storage and maintenance.

ADDITIONAL INFORMATION AND SUGGESTIONS

- This product is naturally biodegradable
- It absorbs acids, hydrocabons or oils spills that may contaminate water or soil.
- It has a great speed of hydrocarbons absorptions
- It allows the reuse of polluted soils.
- Non-toxic product if its organic and natural fibers haven't been used.
- It is resistant to a broad range of sustances as oils, grease, hydrocarbons, solvents, salts, among others.
- Environmentally friendly because it doesn't have toxic volatile compounds.
- Non-toxic.
- Easy to use.
- Store in a dry place and keep away from ignition or heat.

APPROVALS

- Certified of Biodegradability and toxicity- Laboratory of biotechnology (Universidad de Valparaíso).
- Approval for use in jurisdiction of the Chilean Army.
- Resolution D.G.T.M and M.M .

PACKING

- This product is sold by unit. (bag).

WARNING:

It is recommendable to follow the environmental standars of that area for the process.

Consult data sheet before the use.

Store in a dry place and keep away from ignition or heat.
