

PILLOW GARAGE

COD: 2532210020566

DESCRIPTION

Popylpropylene pads filled with organic fiber. Made to be used in spills on soil, oil leaks in maintenance of machinery or engines. It works as a oil and hydrocarbons collector. It absorbs and encapsulates several time its weight.

TECHNICAL FEATURES

- Physical appearance: greenish blue fibers
- Specific weight: 0.20
- Flash-point: 280-290 °c flammability (wet) non-flammable
- Humidity: 3%
- Ash content: 4%
- Specific gravity: 0,8/0,9
- Inert matters: 0,5%
- PH: 7 (neutral).
- Dimensions: 500x500
- Weight: 1 Kg.
- Absorbion capacity: 1Kg up to 7 liters.
- Items per box: 12.

ADDITIONAL INFORMATION AND SUGGESTIONS

- The pads absorb several time its weight. Up to 10 liters.
- Environmentally friendly because it doesn't have toxic volatile compounds.
- Non-toxic and easy to use
- Ideal for industrial use or machinery and garage in general.
- The pads have a coated side with an impermeable material that protects and avoids the leaching of oils into the soil.
- Store in a dry place and keep away from ignition or heat.

WARRANTY

All the physical properties and recommendations of the product are based on testings which are considered to be representative or it complies with current regulations .

Vicsa informs that it doesn't offer warranty for the use of this product in a time period. the final user is directly responsible for the applicatio and use of the product. VICSA is not responsible for direct or indirect damages generated as consequences of improper use or incorrect storage and maintenance .

APPROVALS

- Certified of Biodegradability and toxicity- Laboratory of biotechnology (Universidad de Valparaíso)
- Approval for use in jurisdiction of the Chilean Army.
- Resolution D.G.T.M and M.M

WARNING

Just like other polyester materials, it is convenient to take the pads to furnaces for the total elimination
It is recommendable to follow the environmental standars of that area for the process.

PACKING

Box of 12 units
